

# PayPal Payment Troubleshooting Guide

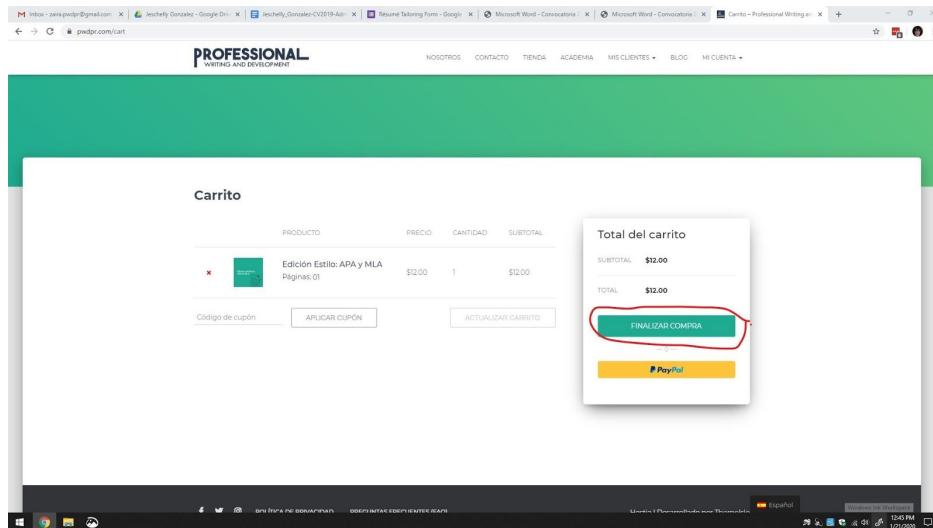

The bottom line: resist the urge to go straight to PayPal.

Instead follow these steps to create an account first.

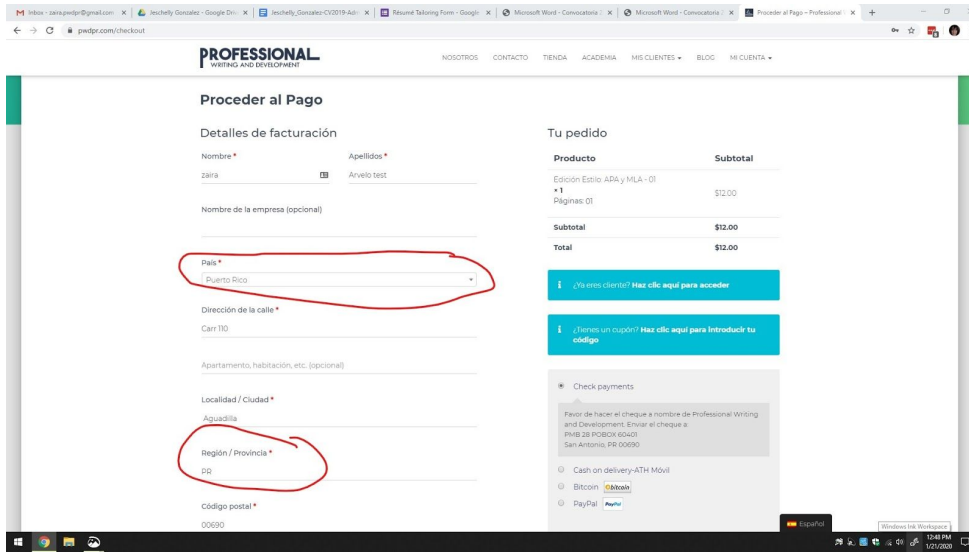

## 1. Add the selected product to the cart: “add to cart.”

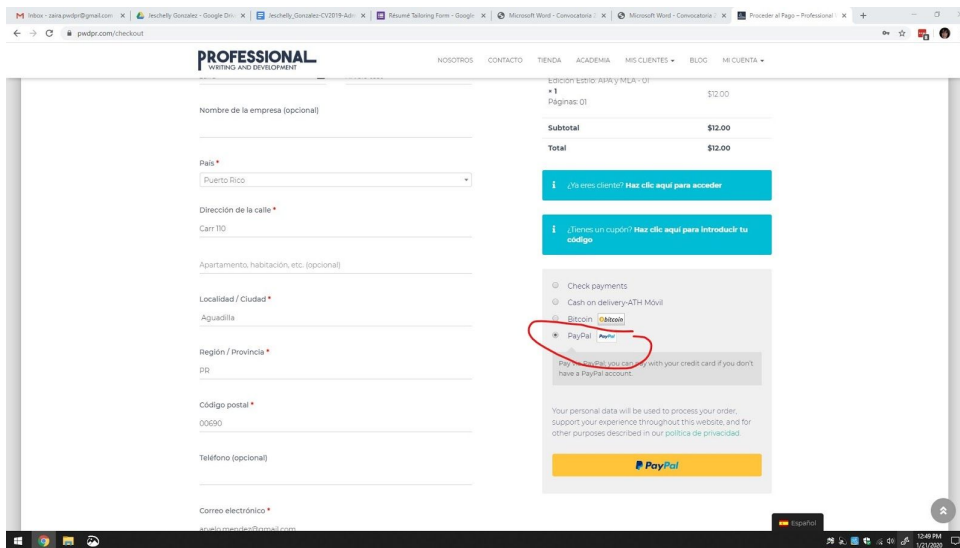

## 2. Hit the “Proceed to checkout” button.

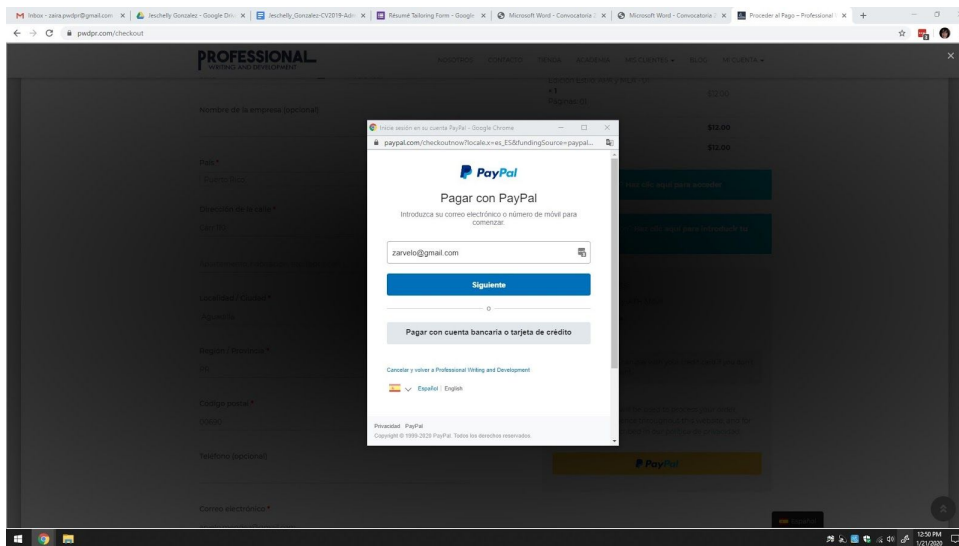

### 3. Input your information manually selecting Puerto Rico as your country.

### 4. After inputting your info, look at the payment options drop-down and select "PayPal."

## 5. Log in to your PayPal account.

## 6. Follow the PayPal screen/steps.

7. You will be redirected and will see the confirmation page.
